## PROPERTY DESCRIPTION

This home has been well maintained and is decorated inside with neutral colors in all of the common areas. The livingroom and master bedroom have wood floors, while all of the bedrooms upstairs are carpeted. The kitchen is open by bar top into the dining area for ease of entertainment. The kitchen also has silestone countertops, Stainless Steel dishwasher, oven, built in microwave, fridge and a pantry. The dining room has French doors opening onto the deck. The 1st floor master suite has a garden tub and a separate corner shower with glass door. The furniture-style vanity has a granite countertop. Upstairs, there are 2 bedrooms plus an additional room that is accessible through one of the bedrooms. This room would be great for a home office or media room or many other options. Many possibilities offered in the privacy-fenced back yard with a deck with pergola and 2 wooden playsets, which are included with the home.
